HEAD TECHNICIAN

Theatre North West is seeking a Head Technician to begin duties mid-August, 2010. The candidate should have advanced skills in carpentry, lighting and sound.

When working as a scenic carpenter the technician will need to produce consistently good results. He/she will be an invaluable colleague to the head carpenter during the 3 pre-rehearsal building periods. A solid background in all aspects of sound and lighting, up to but not including design is also required. For each production the HT works with the designers to execute their designs in keeping with the production schedule, taking responsibility for the installation and operation of all required equipment. Proficiency with computers along with the ability to maintain the theatre's equipment and inventory would be a further asset.

Applicants should be productive and collaborative, taking pride in their problem solving skills and creative spirit. An eagerness to support others and a flawless reputation for being reliable and good-natured is invaluable.

Remuneration, depending on experience and qualifications-

\$900 to \$950 per week.

Theatre North West offers a 4 play season consisting of one presentation and three productions. We contract Equity Members under the CTA and Guest Designers from across Canada to work with our resident staff. TNW operates out of its own 232 seat venue. Prince George is one of Canada's most enthusiastic theatre communities with almost all performances sold out and, with 3875 season ticket holders, one of the country's highest per capita subscription rates.

Situated on the Fraser River, the city is about mid-way between Prince Rupert on the Pacific Ocean and Jasper in the Rocky Mountains. Its market area population is approximately 100,000. The community has an array of amenities and ready access to year round recreational activities along with extensive sports and educational facilities including a university and a college. The location provides an attractive standard of living with some of the most affordable housing in the province.
