This is a *festival seating* performance - the seats are on a first come, first serve basis when you arrive at the theatre. Doors open 1/2 hour prior to start of performance.

When songleader squad mates Missy, Suzy, Betty Jean, and Cindy Lou are called on short notice to sing at their senior prom, the spotlight proves a prize difficult to share as their personal lives clash and intersect in hilarious high school fashion.

*Note: that festival seating will be used for all of the performances of The Marvelous Wonderettes. This means that you will not be able to pre-select your seat at the time of purchasing your ticket. Patrons will choose their seats when they arrive at the theatre for the show on a first-come-first-served basis.*

The next page will ask you to select the kind of ticket(s) you'd like to buy. The only option in the drop-down menu is "general admission - \$52.50," which will already be selected for you. All you need to do is click the green "buy tickets as shown above" button.

*Note: that your chosen tickets will be placed on hold for a limited amount of time in order for you to complete your purchase. If you wait too long, your cart will time out and be emptied, meaning those tickets will be put back up for sale. You will need to re-select them from the list of available performance dates if your cart times out before you complete your purchase.*
